

Tutoring Excellence: Tailored seminars for tutors

Free virtual 90 minute sessions

Why sign up?

We design bespoke seminars to ensure your tutoring provision has the greatest possible impact on pupil learning across your schools.

You can choose a focus that will help your schools to achieve tutoring excellence:

- motivation and engagement
- explaining difficult concepts
- checking understanding
- tailoring for pupils with SEND
- using oracy to support progress and increase confidence
- giving effective feedback
- support to help pupils remember learning

Our seminars are:

- grounded in research
- a great opportunity to share good practice.

They provide School-Led Tutors and Academic Mentors with the opportunity to:

- develop techniques and collaborate
- get support from our Education Advisers to help with planning.

Who are they for?

For cohorts of School-Led Tutors and Academic Mentors within your Teaching School Hub, MAT or Federation.

When and where do they run?

Choose one or more virtual sessions arranged to suit your group of School-Led Tutors and Academic Mentors, delivered to your timescales. Groups of fewer than 20 may be joined with an existing group.

What do they cost?

Provided free as part of the National Tutoring Programme. You can find further information about the programme [here](#).
